

DISCUSSION QUESTIONS

For the week of November 12, 2023

One of the best things you can do after hearing truths from the Word of God is to talk about them with others. Here are some questions to help get the conversation started. (hint: the first couple of questions are meant to “break the ice” and get people talking)

- We do NOT always live how we were designed to live. Share a funny story about a time when things did NOT go as planned for you.

God’s design is that we would bear the image of God.

- What are some opportunities you have to better know and show Jesus in your every day life right now?

God’s design is that we would walk with Him and with others.

- Do you have a harder time maintaining a walk with God or others?
- What typically keeps you “in hiding” Spiritually?

The greatest punishment for sin is separation from God; the greatest reward of the Gospel is relationship with God.

- What changes in your life when you begin to see “God as the Gospel”?

God’s design is that we would desire Him above everything.

- What is something in your life God is doing right now that you struggle with?
- What did you think of the term “compartmentalizing our prayers”?
- What are some ways you are tempted to do compartmentalize your prayer?
- Has there been a time in your life that you are thankful God did not answer your prayer the way you wanted Him to? Discuss that.
- Take some time to pray together.
